Official Order for Correction: Based on an inspection today, the items marked "OUT" indicated violations of 105 CMR 590.000 and applicable sections of the 2013 FDA Food Code. This report, when signed below by a Board of Health member or its agent constitutes an order of the Board of Health. Failure to correct violations cited in this report may result in suspension or revocation of the food establishment permit and cessation of food establishment operations. If you are subject to a notice of suspension, revocation, or non-reveal pursuant to 105 CMR 590.000 you may request a hearing before the board of health in accordance with 105 CMR 590.015(B)

FOOD SAFETY INSPECTION REPORT

Page Number

97 97 Corrected - Establishment -

COS ---- The Original Violation Code was 6-501.12 Cleaning. Frequency/Restrictions ----- Floors in need of deep cleaning. Get behind equipment and trash barrels. - The physical facilities shall be deaned as often as necessary to keep them clean. Except for cleaning that is necessary due to a spill or other accident, cleaning shall be done during periods when the least amount of food is exposed such as after dosing.

Temperature	S					
Area	Equipment	Product	Notes	Temps		
Temperatures in RED identify items in the temperature danger zone. See the report notes for specific details.						

Notes

Cleaning is a little better. Store is need of deep cleaning and drain cleaning. Will follow up with regional manager.
