Official Order for Correction: Based on an inspection today, the items marked "OUT" indicated violations of 105 CMR 590.000 and applicable sections of the 2013 FDA Food Code. This report, when signed below by a Board of Health member or its agent constitutes an order of the Board of Health. Failure to correct violations cited in this report may result in suspension or revocation of the food establishment permit and cessation of food establishment operations. If you are subject to a notice of suspension, revocation, or non-renewal pursuant to 105 CMR 590.000 you may request a hearing before the board of health in accordance with 105 CMR 590.015(B).

Inspection Report (Continued)			Repeat Violatio	ons Highlighted in Yellow

# **Preventing Contamination by Hands**

#### Adequate handwashing sinks properly supplied and accessible

10

#### 5-205.11 Using a Handwashing Sink - Cook Line -

**Pf** The hand washing sink by the cookline was observed blocked with a pot. This was COS by PIC. *Code: A handwashing facility shall be maintained so that it is accessible at all times for employee use and may not be used for purposes other than handwashing. An automatic handwashing facility shall be used in accordance with manufacturer's instructions.* 

# Additional Requirement

## **Violations Related to Good Retail Practices**

#### 60 MA 590.011 (A) Anti-Choking Procedures - Establishment -

**C** Unable to determine If employee has the choke save certification. Please ensure an employee that is choke-save certified is on site during hours of operation. *Code: Restaurants with a seating capacity greater than 24 are required to have one or more employees trained in a manual choke-saving procedure in accordance with 105 CMR 605.000 Approved Choke-Saving Procedures. Each food service establishment shall: have on its premises, while food is being served, an employee trained in manual procedures approved by the Department to remove food lodged in a person's throat; and make adequate provision for insurance to cover employees trained in rendering such assistance.* 

# **Notes**

#### Notes

#### 88 Notes - Establishment -

**N** Based on the Orkin pest control report on 4/13/2024 minimal amount of mice droppings were found. Ensure to continue monitoring/treating with the pest control company. - General Notes.

#### 88 Notes - Establishment -

N Spoke to PIC about a complaint we received regarding the front of house. Tables should be cleaned and trash should be checked periodically to help keep the facility clean.
- General Notes.

# **Positive Notes**

### **Proper Food Safety Practices**

### 98 98 Proper Food Safety Practices - Serving Line -

**N** All temperatures observed during time of inspection were within range. Keep using probe thermometers to monitor temperatures. Excellent job with temperatures during this inspection. - Excellent.
